Declaration of Non Consent - Friday 29 July 2022 on Public Record Magistrates Court Perth at 12.33pm.

To all concerned, we, shaun and cassandra, hereby give formal notice of our non-consent and we restore our status to man and woman and restore God's law in the process.

"We thank you, your honour for acting at Trustee. As the living man and woman and the beneficiaries of the SHAUN AND CASSANDRA ROSE trust we do not consent to contract or joinder and we waiver the benefits on offer. We do not consent for our trust to be administrated on and therefor order the court to dismiss the matter.

Your honour, are you a public servant in a court of public record, and are you accountable for your actions? Do you choose to rebut anything we have said?

Legal entrapment is unlawful. It is a recognised crime. So we with immediate effect revoke all consents, to all legal matters, past and present, unless a dual signed contract is held and can be shown in our Christian names with signatures.

Therefore we do not consent, we do not contract, we do not acquiesce nor trade, or allow access or enquiry to our Cestui que vie trust (CVQ Act 1666), otherwise known as our "withheld estate". Everyone, bar no one, has a duty in law to not commit crime, deceive, abuse, entrap, exploit or extort.

It is evident that the Western Australia Government is a corporation along with the Western Australian Police. Corporations cannot be de jure governments. Acts and Statutes have full force of the law by the consent of the governed therefore we give no consent and under the rules in the Bills of Exchange Act 1909 (CTH) this cannot be forced onto us.

We comprehend the deceptive form of legalese language as an unlawful instrument of manipulative legal entrapment, therefore we are only to be addressed as man, woman or by our Christian names shaun and cassandra, not an understanding, person, civilian or citizen.

We now make you fully aware that we abide by God's Law, the Divine and Common Law. Being that the matter has no harm, loss, damage or injured party making a claim for damages there is no need to provide remedy by a way of financial disbursement to a non-existent victim who again has not suffered harm, loss damage or injury.

Again we do not consent to contract or joinder and we demand the matter be dismissed with extreme prejudice."

We add that we are no longer to be contacted or addressed in the legally entrapping trading NAME in CAPITALS, via the deceived consent of the birth certificate, nor to be identified in the law revoking status of Master, Mr, Mrs or Miss.

This notice has been shared directly to a minimum of 20 individuals of the local public.
