## Pay before the due date to avoid the \$65 enforcement fee

This is your final opportunity to pay before your penalty notice is transferred for enforcement action. This will mean you have to pay **\$65** on top of your fine (or \$25 if you are under 18), and will face losing your licence, possessions or money taken from your bank account.

### What will happen if I do not pay by the deadline?

We will take further action. Enforcement action will result in additional costs and if not resolved, will lead to driver licence or vehicle sanctions. Your payment options are below. You can view other ways to finalise this notice over the page.
